Wine list

SAUVIGNON

late harvest – semisweet – 2009
wine subregion **Velké Pavlovice**

Sauvignon is very attractive for lovers of wines with high residual sugar content. Quality and mature grapes give to this wine cardinality, nobility and richness. It is characteristic for the aroma of ripe peaches, black currant and elderly bush flower. The flavour combines the residual sugar, acidity and fresh tones of peach compote.

AURELIUS

late harvest – semidry – 2009
wine subregion **Velké Pavlovice**

It is a white strain that originated from the crossing of Neuburger and Riesling in Perná, Moravia. It is a quality fresh wine of light green colour. Pleasant aroma reminds of linden in blossom and the flavour is full supported by piquant acidity. This acidity keeps the freshness of wine, which is suitable for longer lying in a bottle.

MALVERINA

late harvest – semisweet – 2009
wine subregion **Velké Pavlovice**

Malverina is a new strain that originated from Veltlínské červené rané and Merlot with other cultivars. During maturation the wine gets a typical cinnamon bouquet. In the flavour we find traces of corncob with delicate hints of cinnamon. The wine has a pleasant acidity.

Wine list

FRANKOVKA

(LEMBERGER)

Moravian wine

Frankovka is full, pleasantly rough and spicy, with a hint of smoke. We can smell a tinge of stone fruit in it. The wine is tarter, so we can taste it a bit longer on the upper palate. Young wines tend to be harder, but lying in a bottle makes them mature into rich breadth.

RULANDSKÉ ŠEDÉ

(PINOT GRIS)

late harvest – semidry – 2008
wine subregion Mikulov

Rulandské šedé comes from France and it originated by bud mutation of Rulandské modré (Pinot Noir). The colour is golden with a yellow glitter. We can smell delicate tones of citrus fruits and hazelnuts. The flavour follows the aroma and reminds of hazelnuts.

HIBERNAL

selection of grapes – semisweet – 2009
wine subregion Velké Pavlovice

Hibernal originated from two strains – Seibel and Ryzlink rýnský. This exceptional wine has a lighter yellow-golden colour. The aroma is very concentrated, you can smell either ripe grapes or tropical fruits. The flavour is rounded and noticeably fruity.

Wine list

ARIANA

qualitative wine – dry – 2008
wine subregion **Velké Pavlovice**

Ariana is a quite new strain that originated in Perná, Moravia. It is a hybrid of the following variants (Ryzlink rýnský x Svatovavřinecké x Zweigeltrebe). The garnet colour is connected with full, harmonic and velvety flavour. The wine is very good quality with a fine tannin content. As the wine ages, it gains the quality.

VETLÍNSKÉ ZELENÉ

qualitative wine – 2008
wine subregion **Velké Pavlovice**

It is an older strain and it comes from Lower Austria. The wine is fresh, harmonic, very good quality, slightly spicy, with muscatel aroma, bright yellow-green colour and delicate acidity.

PÁLAVA

late harvest – semidry – 2009
wine subregion **Velké Pavlovice**

This strain originated in Perná, Moravia. It is a hybrid of two variants – Tramín červený and Müller Thurgau. The wine is delicately yellow-green with the aroma of Tramín, but the aromatic substances are mellower. The flavour is full, fruity, slightly spicy and long-lasting, with fresh acidity.

Wine list

CABERNET MORAVIA

qualitative wine – dry – 2008
wine subregion **Velké Pavlovice**

The colour is full, thick, dark carmine with a violet glitter. The aroma of black currant, blueberry and blackberry harmonizes with fruity and cabernet flavour character. The flavour is mellow, pleasantly rough, full of sweetish tannins and tones of dried red pepper and raspberry.

CABERNET SAUVIGNON

late harvest – semidry – 2009
wine subregion **Mikulov**

It is wine of intensive dark cherry colour with violet tones. Typical aroma of black currant is attended by the aroma of cherries, blackberries, tobacco, cedar wood or jam depending on the ripeness of grapes. The wine is massive, with a very long-lasting impression.

DORNFELDER

selection of grapes – dry – 2009
Wine subregion **Velké Pavlovice**

Dornfelder is a quite new German strain. This wine has pure, sour cherry red colour with violet tones. Fruity aroma reminds of overripe black cherries and candied fruit. The flavour is full, dry, with pleasant tannins and spicy vanilla in the end.

Wine list

SYLVÁNSKÉ ZELENÉ

(SYLVAN GREEN)

cabinet wine – semidry – 2009

Wine subregion Mikulov

Initially Austrian strain probably originated from two variants – Tramín and Austrian white. It has more distinctive colour with light green shades. The aroma is neutral, slightly spicy, in the background fruity and grassy. The flavour is fruity, sweetish with fresh acidity.

RULANDSKÉ MODRÉ

(PINOT NOIR)

late harvest – dry – 2008

wine subregion Mikulov

Traditional strain in Bohemia and Moravia originally comes from France. It is characteristic for light garnet colour with a mellow overtone of brick-red and flowery aroma reminding of stone fruit. The wine has a delicious flavour with a mellow acidity and pleasant tartness.

TRAMÍN ČERVENÝ

selection of grapes – semisweet – 2009

wine subregion Velké Pavlovice

Tramín is one of the oldest and at the same time a top ranked noble European strain. The colour is pure, yellow-green and deep. The aroma is mellow and fresh, but also intensive. Dominating aromas are rose petals and ground spice.

Wine list

DORNFELDER

qualitative wine – dry – 2009
wine subregion **Mikulov**

Dornfelder is a quite new strain that originated from Helfesteiner and Heroldrebe to give excellent red wines in north wine regions. The wine has a beautiful garnet colour, the flavour reminds of ripe forest berries.

RULANDSKÉ MODRÉ, ROSÉ

(PINOT NOIR, ROSÉ)

qualitative wine – semisweet – 2009
wine subregion **Mikulov**

The wine has a nice salmon colour. The aroma is mellow, fruity with the overtone of sour cherries and forest strawberries. The flavour is very fruity with forest berries and strawberries.

The wine has a nice fresh acidity, which makes it great for warm summer days.

DELIKATES CABERNET SAUVIGNON

qualitative wine – semisweet – 2009
wine region **Moravia**

This pleasant light and fresh wine is a mixture of two variants – 65% of Cabernet Sauvignon claret and 35% of Sauvignon and it originated from musts after the process of fermentation.

The aroma of raspberry and strawberry tones turns to black currant when we taste it. It combines pleasant residual sugar and fresh acidity.

Wine list

CHARDONNAY BARRIQUE

selection of grapes – semidry – 2007
wine subregion Mikulov

Chardonnay, one of the most popular strains, probably comes from Burgundy. It has a higher acidity even in high ripeness. It is corpulent and full, with cream and butter tones. The aroma reminds of roasted hazelnuts and overripe exotic fruit. This wine matured in wine barrels of barrique type for four months.

RULANDSKÉ ŠEDÉ

(PINOT GRIS)

Moravian wine

This strain comes from France and it originated by bud mutation of Pinot Noir. Grapes are grey-red to grey-blue, but the wine has green-yellow colour, neutral flavour and aroma. It has a spicy delicate acidity.

CHARDONNAY

Moravian wine

The wine is light, fresh colour and full of aroma, with prevailing baked apples and ripe autumn fruit. The aroma pleasantly follows the flavour, which is very fruity and cultivated. It is medium full, round and moderately long-lasting.

Wine list

SVATOVAVŘINECKÉ

late harvest – dry – 2008
wine subregion **Mikulov**

Svatovavřinecké is the most widespread strain for red wine production in Moravia. It has a deep red colour that turns to dark ruby. Full, pleasantly tart flavour is highlighted by a harmonic ratio of acids and tannins. Bouquet and aroma remind of plums or plum jam.

CHARDONNAY

selection of grapes – semidry – 2008
wine subregion **Mikulov**

Chardonnay, one of the most popular white strains, probably comes from Burgundy. It has a higher acidity even in high ripeness. It is corpulent and full, with cream and butter tones. The aroma reminds of roasted hazelnuts and overripe exotic fruit.

VELTLÍNSKÉ ZELENÉ

late harvest – semidry – 2009
wine subregion **Velké Pavlovice**

This strain originally comes from Austria. Nowadays it is one of the most widespread strains in Moravia. It is a lighter wine characteristic for its mellow linden aroma with the overtone of bitter almonds and pleasant spicy flavour that leaves a long-lasting impression on the tongue and it is softened by velvety fullness.

Wine list

MODRÝ PORTUGAL

qualitative wine – dry – 2008
wine subregion **Mikulov**

This wine is known for its garnet colour and large bouquet with prevailing pleasant tones of ripe cherries. The flavour is fruity and unusually rich in quality and soft ripe tannins. Warm taste sensations in the end enhance the overall smooth and velvety impression of this elegant wine.

DĚVÍN

selection of grapes – semisweet – 2009
wine subregion **Velké Pavlovice**

It is harmonic, slightly spicy wine of golden-yellow colour. The aroma is flowery and spicy – dried roses, jasmine and clove. The flavour is corpulent with a long-lasting and harmonic end in which we find a mellow acidity, distinctive spicery and smoothness. The strain originated from Tramín and Veltlínské red-white.

RYZLINK RÝNSKÝ

late harvest – semidry – 2007
wine subregion **Velké Pavlovice**

This strain probably comes from German Rhineland. It is a wine of kings and a king of wines. It is known for its typical aroma of flowers, apples and linden flower. The flavour is pleasantly fresh, full and harmonic with a higher acidity. It is designed for longer lying in a bottle.
